SOCIAL **7** HOUSE

s e v e n

Social House 7, the newest addition to AMPD Group, is a restaurant experience like none other. With an upscale izakaya, Asian fusion twist on the food, Social House 7 is the first of its kind in the Pittsburgh area. From the transforming decor to the hand-crafted cocktails served on both sides of the restaurant, the space offers a unique sophisticated day or night out on the town.

Capacity: 400 guests

TEN PENNY

Table & Tap

Located in the Cultural District, Ten Penny features an expansive menu in a comfortable setting. It is the perfect gathering place for a pre-theatre cocktail or a romantic nightcap. Rustic whitewashed brick, handsome wrought iron, sturdy Acacia wood, and pops of color throughout add to the overall classic yet modern atmosphere.

Capacity: 240 guests

Since establishing itself in Pittsburgh's vibrant South Side, Local has become a favorite destination for those seeking excellent food in a relaxed setting. Take advantage of the convenient pickup service, or stay to enjoy Local's comfortable, rustic vibe. Unwind while enjoying lunch, dinner or weekend brunch on the Southside's largest heated, enclosed roof-top deck or in the main dining area inspired by vintage Pittsburgh scenes. With a vast menu of craft sandwiches, flatbread pizzas and our signature "Burghers," Local has something to satisfy everyone's appetite.

Capacity: 340 guests

Steel Cactus

Mexican Restaurante & Cantina

Steel Cactus Restaurante and Cantina provides a lively dining experience, both indoors and outdoors, for guests at our three locations throughout the city of Pittsburgh. Known for our famous “Yinzerita”, rooftop bars and dance floor, Steel Cactus stands out as a fun, tasty, and edgy destination for customers looking for a unique dining or drinking experience.

We currently have three Steel Cactus locations: Southside, Shadyside, and one located in PNC Park on the North Shore. Our PNC Park location offers a sit-down dining and bar experience as well as a quick service window within the park. Steel Cactus in Shadyside and Southside are open for brunch, lunch, dinner, happy hour and late night drinks.

Capacity: Shadyside - 150 guests // Southside - 370 guests // Northshore - 75 guests
