# EVENT INFORMATION

**Thank you for inquiring about hosting a special event with us! We are looking forward to providing an amazing unforgettable experience for you and your guests at our venue.**

## **First Things First:**

After reviewing this information, contact our events coordinator about your budget, party size, drink packages and catering requests. The events coordinator will be more than happy to help you plan your event and answer any questions you may have throughout the planning process.

## **No Rental Fees with Minimum Spend:**

Diesel & Skybar private events are priced on a minimum spend allocated for the date and time frame requested. The minimum is a dollar amount that must be reached by food and beverage purchases. If the amount is not reached, the host is responsible for the difference as a rental fee charge. The host will agree to their minimum spend with completion of their Event Contract. The spend minimums will vary during peak and non-peak business hours, and are listed in the following package.

## **Overtime:**

The time frame of your event is also agreed upon in the Event Contract. In the circumstance that an event runs over the allotted time frame listed in the contract, the host will be responsible for an additional charge each hour.

## **Event Cancellation:**

If you must cancel your event, we ask you inform our Event Coordinator 72 hours in advance. If notified less than 72 hours prior to your event, the host is responsible for 50% charge of the total event amount contracted. If the event is canceled 24-48 hours before the scheduled event, 100% of the total amount contracted would be charged.

**Thank you for your interest in hosting your event at our venue. We look forward to providing you with a night to remember!**
